The Summer Musical provides students opportunities to develop life and professional arts skills in an intense educational experience that can help shape tomorrow's employees and community leaders.

The demanding schedule of rehearsals and shows builds confidence and character, instills time-management and talent, and culminates with an inspiring series of community performances.

Proceeds from the Summer Musical and sponsorships **pay forward in the workforce development, scholarships, grants, and professional student experiences** the Public Education Foundation (PEF) and EVSC Foundation have successfully promoted in our community for many years.
