

EVSC Students and Teachers need your help today!

Your gift today will help deepen EVSC students' classroom learning through hands-on experiences during field trips. Your contribution will also help teachers know they are supported and appreciated for their commitment to teaching. Please help us fund some of these unique projects to enhance the educational experience our students are receiving!

Level 1: Lunch and Educator initiatives:
\$1,500

Level 2: Food and Activities at Staff-Family Nights:
\$2,500

Educator appreciation initiatives throughout the year (support during teacher professional development time, Teacher Appreciation Week events, giveaways, etc.)

\$3,000

Field trip funding to help deepen classroom learning.
Total need: \$1,900

- Level 1: The 7th grade field trip to New Harmony to learn about Utopian and Dystopian societies: \$400
- Level 2: The 6th grade field trip to the planetarium to learn about the solar system: \$500
- Level 3: The 8th grade field trip to Louisville: \$1,000

Students at Washington Middle School are sorted into six different houses to link homerooms and build comradery. Friendly competition between houses encourages competition for good grades, behavior, and attendance.

Total need: \$4,500

- Level 1: T-shirts for ONE House: \$550
- Level 2: T-shirts for TWO Houses: \$1,100
- Level 3: A Holiday World reward field trip for the winning House at the end of the school year: \$1,200

EVSC Foundation would like to help our Priority Schools visit Wesselman Woods. Wesselman Woods provides environmental education and outdoor recreation experiences designed to awaken the senses and enrich the lives of area residents and visitors.

Visit cost: \$600/grade level

Educator appreciation initiatives throughout the year (support during teacher professional development time, Teacher Appreciation Week events, giveaways, etc.)

\$3,000
